**Learning for Life**

The location of the Jonesboro Farmers Market is in downtown Jonesboro behind the Main Street Heritage Bank in the City Parking lot across from the Jonesboro Fire House Museum and Community Center on Mill Street.

There's plenty free space for Vendor setup.

"You can come and sell out of the back of your car or pickup truck or set up a table".

## Sellers:

Bring your extra garden produce and sell out of the back of your truck or setup a table.

Sellers' reserve a spot by calling 770-473-5434.

## Buyers:

Part of the fun of going to a Farmers Market is feeling like you've made the deal of the century. Many dealers love to negotiate and leave room for negotiating in their pricing. We hope you have a great experience.

If you have extra produce, it's better to sell at a market than let it over-mature in the garden."

"What we hope to do is get people good deals on good produce and create an outlet for people who have backyard gardens. We have the space to offer and we want to be helpful to the community".

We've moved the market; it used to be held in the parking lot of the Clayton County Extension Office.
